

Kwaan Wireless Inc.

Cage Code: 62YG1 • Duns #: 363177788

Capability Statement

kwaanwireless.com

Kwaan Wireless, Inc. is a small business that provides internet service to Kake, Alaska.

We also provide site specific telecommunications support services (SSTSS), which includes site surveys; site preparation; installations or relocations of telephone systems and/or data systems; cable installation; and moves, additions, changes and/or repairs at new sites or existing locations within the accessioning mission footprint.

Video Conferencing Maintenance & Support

For the Broadcasting Board of Governors located in Washington D.C. Kwaan Wireless will implement an updated video storage solution to replace the agency's current system that cannot meet the needs of the agency for 'High Definition' transition possible again before being written to disk. Statement of Work: Kwaan Wireless provides the services and hardware to implement the installation of a NetApp AFF300 solution.
